The Director of Public Health
Madras.

Sir,

Sub: Public Health- Establishment- supply of uniforms to P.H mazadoors- purchase of cloth- Binny & Co- waiving of tenders- permission- solicited.

Ref: Minutes of the Municipal Council in its resolution No. 665 dated 26-4-52 (Copy enclosed) sanctioned supply of two shorts and two shirts to each of the male P.H. mazadoor for 1952-1953. 1980 yards of cloth i.e 880 yards for shorts and 1100 yards for shirts are required for this purpose and the total expenditure for the purchase of the same exceeds Rs 2000/-.

As per existing rules sealed tenders are required to be invited from the various cloth dealers , the lowest tender accepted and thereafter order placed for the supply of the cloth. It is observed that when tenders were invited last year for the purchase of cloth to supply uniforms to Public Health menials for 1951-1952 , no other dealers except the Buckingham Carnatic Co Lt - Binny & Co (Madras) Ltd, tendered their rates and the required quantity was also purchased from that Co, . Further the local dealers do not have sufficient quantity of the particular type of cloth to meet the requirements of this Municipality and consequently the necessity of purchasing the cloth in piece meal arises, which is likely to cause considerable inconvenience to get the cloth stitched at a stretch and also delay in the supply of uniforms to menials. Further the cost of the cloth will be higher as it is to be purchased at retail rates.

It is therefore proposed to purchase the required quantity of Khadi Drill from the Binny & Co, Madras without inviting tenders. I request that Government may be pleased to dispense with the invitation of tenders in this particular case and accord early permission for the purchase of Khadi Drill from the above Co., without invitation of tender, for supply of uniforms to Public Health menials for 52-53.

Forwarded,

CHAIRMAN. M.C

M Govindamenon
COMMISSIONER.
